

2021 CyberCon Call for Presenters

Welcome to the 2021 CyberCon Call for Presenters! Please let me know if you have questions as you work on completing the information below. I can be reached at bailee.a.bulman@bismarckstate.edu or 701-224-5688.

Please read the information below before continuing with the presentation submission process.

We appreciate your consideration in only going through the site if you are submitting proposal information. Any incomplete submissions will not be considered.

Please note that you will be asked to select the appropriate "track" for your session. Submitted information will be passed on to the appropriate CyberCon committee members for review based on the track you have selected.

The deadline for submitting a proposal is Friday, September 3, 2021.

Session Description

Use the space below to enter a short description of the session. Descriptions must match the presentation title and must include information regarding what participants can expect. Descriptions must be 100 - 200 words. Any descriptions submitted that exceed that length will be edited. You can copy and paste from MS Word.

Use the space below to enter any additional information you would like included in your submission profile.

Please enter a short biography below. This information will provide committee members with background information on your experience in work related to your presentation. You can copy and paste from MS Word.

If you have a white paper or supporting documentation that you would like submitted with the proposal above, please email to bailee.a.bulman@bismarckstate.edu. Supporting documents must be submitted on same day as proposal.
